## Iluma Theatre: December 2011

Based in the Iluma Theatre within Singapore's bustling Arts & Heritage District of Bugis, Joyden Hall is a flexible multi-purpose performance and events venue.

Suitable for conferences, trade shows, exhibitions, fashion shows and theatrical shows, Joyden Hall is capable of holding up to capable of holding up to 500 people.

J&C Joel manufactured a number of hardwearing perimeter curtains to mask the hall's walls manufactured from burgundy double sided Deko Molton (DEK039) and lined with black Molton (MOL001).

A total of eighteen curtains were manufactured to line the walls of the venue, including two U-style curtains measuring 16.16 metres wide with a depth of 8 metres made to fill recesses within the hall. These were headed with small tab hooks and made with a chain pocket base.

Other curtains manufactured for the venue included six curtains measuring 4.75 metres by 7.6 metres, along with others measuring 4.9 by 7.6 metres. All perimeter curtains were manufactured with 50% fullness and spot Velcro on each side to secure the curtains together when hanging around the perimeter of the room.

Deko Molton is an ideal fabric for perimeter curtains, events and exhibitions due to its light weight and the wide variety of colours available.
