Care	<b>Information</b>	<p>Inherently Flame Retardant to BS5867 Part 2 Type B, M1 and Classe Uno. This means that the man made fibres are flame retardant for life and if wet would not need to be re-flameproofed.</p> <p>Therefore the cloth will withstand wet cleaning but we would advise and suggest professional dry cleaning only, using the correct chemical process.</p> <p>Not withstanding the aforementioned it would be our advice to only dry clean this material periodically. We would suggest that the curtain be soft brushed on a regular basis and periodically cleaned using a vacuum and drapery attachment.</p> <p>This fabric is not pre-shrunk.</p>
