

A television audience of 6.1 million tuned in to watch pop sensation Mika perform at the Brit Awards in front of a fabulous Trevira Silk reefer curtain supplied by J&C Joel.

Mika performed at the 28th annual awards show which was held at London's Earls Court Exhibition Centre alongside Gossip diva Beth Ditto.

Other performers on the night included such luminaries of the British music industry as the Kaiser Chiefs, Leona Lewis, Amy Winehouse and Sir Paul McCartney.

J&C Joel's sewing team manufactured a burgundy Polyester Trevira (PTO14) reefer curtain which descended from the set and in front of which the singer performed his hit single Grace Kelly – the last in his three-song set.

J&C Joel specialise in materials for the entertainment industry. Whether theatre, television or stage shows we have a wide range of fabrics and flooring to help make any performance perfect.
