Solutions

Overview

Yasmina British Academy approached J&C Joel to expand their educational excellence by installing state-of-the-art rigging solutions. J&C Joel was responsible for the design, supply and installation of a comprehensive rigging system. This system supports the school's growing needs for flexible staging and performance spaces, enhancing the functionality of their auditorium and extracurricular activities.

We supplied and installed:

- 11 STAGEHAND Pilewind Winches
- 11 Fixed Bars
- Cyclorama
- Front of House Tracks
- Legs and Borders
- Swivel Arms

The Pilewind Winch system offered an efficient, optimising solution for the Yasmina British Academy as the system is equipped with safety features which ensure reliability and consistency of performance.

The rigging system was custom designed by our experts to suit the specific requirements of the school's auditorium and performance space.
